Chapter 11

Case No. 04-_____

AFFIDAVIT OF ROBERT BERTELLOTTI
PURSUANT TO LOCAL BANKRUPTCY RULE 1007-2

STATE OF NEW YORK)
) ss.:
COUNTY OF NEW YORK)

ROBERT BERTELLOTTI, being duly sworn, deposes and says:

1. I am the President of Saltire Industrial, Inc. ("Saltire" or "Debtor"), and I have served in such capacity since June of 2000. As such, I am familiar with the Debtor's business and financial affairs. I am authorized to submit this Affidavit pursuant to Local Bankruptcy Rule 1007-2 in support of the Debtor's petition (the "Petition") for relief under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code"). Unless otherwise stated, I have personal knowledge of the facts set forth herein.

2. To the best of my knowledge, information and belief, no committee of creditors has been organized prior to the commencement of this case.

**NATURE OF THE DEBTOR'S BUSINESS AND
CIRCUMSTANCES LEADING TO CHAPTER 11 FILING**

A. The Debtor's Business

3. Saltire, previously known as Scovill, Inc., is a Delaware corporation with offices in Westport, Connecticut and New York, New York.

4. Saltire began operations in the 1800s and, by the early 1980s, had become a major industrial company listed on the New York Stock Exchange. As such, Saltire was a manufacturer of diverse consumer and industrial products sold under a variety of brand names, including Scovill, Yale, Hamilton-Beach, Proctor-Silex, Nutone and Schrader.

5. In 1985, Saltire was acquired by an affiliate of First City Industries Inc. ("First City"), a public company listed on the New York Stock Exchange. Following its acquisition by First City, Saltire began a divestiture program which, by 1987, significantly reduced the size and scope of its operations. As part of the various divestiture agreements, Saltire retained certain liabilities from its former operations. These liabilities principally related to: (i) alleged environmental contamination ("Environmental Claims"); (ii) post-retirement employee benefits ("Benefit Claims"); and (iii) other business-risk liabilities such as product liability claims ("Product Liability Claims" and, together with Environmental Claims and Benefit Claims, the "Legacy Liabilities"). Since 1987, Saltire's primary business has been the administration, management and (if appropriate) funding of these Legacy Liabilities.

B. Events Leading to Chapter 11 Filing

6. In addressing its Legacy Liabilities, Saltire has historically pursued a policy of funding such liabilities to the extent they were matured, liquidated and not subject to dispute and minimizing its exposure to other liabilities that did not fall into this category. Where possible, Saltire has settled claims relating to the Legacy Liabilities on terms favorable to Saltire. In spite of its efforts, Saltire has not been able to bring closure to certain of its Legacy Liabilities due to their contingent, unliquidated and/or disputed nature.

7. Since 1987, Saltire has expended substantial sums funding and administering the Legacy Liabilities. Nevertheless, Saltire continues to be in a position where, almost twenty years after it ceased active operations, it is still burdened with the Legacy Liabilities. In addition, new claims continue to be asserted with respect to Saltire's pre-1987 business operations.

8. The cost of managing and administering the Legacy Liabilities represents a significant use of Saltire's limited resources. In particular, increasing litigation costs have placed a substantial drain on the company's dwindling financial assets. By the end of 2003, Saltire's liabilities exceeded its assets. Currently, Saltire is confronting a serious liquidity problem, and it is likely that Saltire's financial position will continue to deteriorate.

9. For the foregoing reasons, Saltire believes it is in its best interests to seek protection under chapter 11 of the United States Bankruptcy Code. Saltire intends to utilize the processes available in chapter 11 to address and satisfy its Legacy Liabilities (particularly Benefit Claims of retirees) in a fair and equitable manner and to liquidate its remaining assets. Saltire believes that its use of chapter 11 to achieve these objectives is both fully consistent with the policies underlying the Bankruptcy Code

and preferable to holders of Legacy Liabilities receiving disparate treatment based on the proverbial race to the courthouse door now taking place (and/or threatened) around the country.

**OTHER DISCLOSURES REQUIRED
UNDER LOCAL BANKRUPTCY RULE 1007-2**

10. Attached as Exhibit "2" to the Petition is a copy of the Resolution authorizing the filing of the Petition.
11. Set forth in Exhibit "3" to the Petition are the names and addresses of the Debtor's largest secured creditors, the amount of each claim and a brief description of the claim, subject to the Debtor's rights to dispute the actual validity of any such claims.
12. Set forth in Exhibit "4" to the Petition is a list of the names, addresses and telephone numbers of the creditors holding the 20 largest unsecured claims, excluding insiders and related entities. This list contains the names of the persons familiar with the Debtor's accounts and the amount of each claim and, if appropriate, an indication of whether such claim is contingent, unliquidated, disputed, or partially secured.
13. Set forth in Exhibit "5" to the Petition is a brief summary of the Debtor's consolidated assets and liabilities as of June 30, 2004.
14. Set forth in Exhibit "6" to the Petition are the names of the individuals who comprise the existing senior management of the Debtor, their respective tenure with the Debtor, and a brief summary of their respective responsibilities and experience.

15. Set forth on Exhibit "7" to the Petition is the estimated cash receipts and disbursements, and estimated net cash flow, for the Debtor for the 30-day period following the filing of the Petition.

16. A list of actions or proceedings pending or threatened against the Debtor's property is attached as Exhibit "8".

17. Annexed to the Petition as Exhibit "9" is a list of all of the premises owned or leased from which the Debtor operates its business.

18. A certificate of deposit in the amount of \$475,000 is held by US Bank as security for a letter of credit issued to the Ohio Bureau of Workers' Compensation. The Debtor does not hold any property outside of the United States.

19. Exclusive of officers and directors, the estimated amount of the gross bi-weekly payroll to employees of the Debtor for the 30-day period following the filing of the Petition will be approximately \$15,700, including related employer taxes and employee benefits.

20. Annexed to the Petition as Exhibit "10" is a Certified Matrix of the Debtor's known creditors.

[concluded on the following page]

CONCLUSION

21. The Debtor will continue in possession of its assets and management of its property in accordance with sections 1107(a) and 1108 of the Bankruptcy Code, and intends to propose a plan pursuant to chapter 11 of the Bankruptcy Code.
